

## General Competition Information

All competitions will be run in accordance with the ERSO Rule Book 2017-2019.

Each Freestyle music is to be submitted to the sound system operator well before the corresponding competition starts. **Please be sure to test all Freestyle music on the competition sound system before the competition.**

**All scores displayed during the competitions are unofficial.** Preliminary results will be handed to the delegation leaders after each competition. If no objections are registered within the stipulated time, these results will become final.

## Team Competition Description and Scoring Principles

For each event, every country may enter up to 5 teams in the European Championships and Youth Tournament and up to 3 teams in the Open Tournament in each gender category (Male, Female and Open). Each team may have 4 to 5 members and in the case of the Open teams, both genders must participate in each event jumped. Teams that jump all of the following 6 events will also be ranked in the overall Team competition results.

1. **Single Rope Speed Relay:** 4 team members each skip 30 seconds of "Speed Step". The goal is to complete as many successful jumps in the time.
2. **Double Dutch Speed Relay:** 4 team members each skip 45 seconds of "Speed Step" in Double Dutch (2 long ropes being turned in opposite directions for the jumpers). The goal is to complete as many successful jumps in the time.
3. **Single Rope Pair Freestyle:** the goal is for 2 team members to complete a synchronized creative routine with as many correctly executed skills at the skippers' highest ability, using single ropes and within a 60 - 75 second time limit.
4. **Single Rope Team Freestyle:** the same goal as in Pair Freestyle, but with 4 team members.
5. **Double Dutch Single Freestyle:** the goal is for 3 team members to complete a creative routine in Double Dutch with as many correctly executed skills at the skippers' highest ability within a 60 – 75 second time limit.
6. **Double Dutch Pair Freestyle:** the same goal as in Single freestyle, but with 4 team members.

During the speed events, each skipper's jumps are counted by three judges and the results are averaged according to the rule book. Due to the immense speed of the skippers, only the right foot "Speed Step" jumps are counted. The number of counted Single Rope Jumps is multiplied by 3 and the number of Double Dutch jumps is multiplied by 2 to calculate the scores for the speed events.

The 4 freestyle events are each judged by a jury of 14 judges - the Single Rope events by one jury and the Double Dutch events by the second set of judges. In each case 5 judges rate the level of difficulty. Further 5 judges evaluate the presentation of the performance and count mistakes and 3 judges look for required elements and also count the mistakes. The Head Judge coordinates the jury, checks for time and space violations and also counts mistakes.

For each freestyle, half of the penalties (from mistakes, time and space violations) are deducted from the averaged difficulty score and the other half of the penalties are deducted from sum of the averaged presentation and required element scores. The reduced difficulty scores from all participants are ranked and the reduced presentation plus required element scores from all participants are also ranked. The sum of these two rankings determines the winning order in each individual event. The overall ranking per team is the sum of the individual rankings.

## Individual / Masters Competition Description and Scoring Principles

For each event, every country may enter up to 5 skippers in the European Masters and up to 5 skippers in the Youth Tournament Individual competition in each gender category (Male, Female). Skippers that jump all of the following 3 events will also be ranked in the overall competition results:

1. **30 Seconds Speed - Sprint:** the goal is to complete as many successful "Speed Step" jumps in the time
2. **3 Minutes Speed - Endurance:** the same goal as 30 Seconds Speed
3. **Freestyle:** the goal is to complete a creative routine with as many correctly executed skills at the skippers' highest ability within a 60 – 75 second time limit.

The scoring principles are similar to those in the Team Competition, whereby in individual competitions the Freestyle ranking is added twice to the ranking of speed and endurance events to calculate the overall ranking.

**Triple Unders - Power:** This Competition is for 15+ only and consists only of this one event. Each country may enter up to 3 skippers in each gender category (Male and Female). The goal is to complete as many consecutive "Triple Unders" (3 rope rotations per jump) without stopping. Each skipper normally has only one attempt. If less than 30 are jumped, a second attempt is permitted.

## Teams and Competitors

The following pages display the lists of teams and individual competitors, each with their unique team / competitor number. The order of the teams / competitors in the various tables (from top to bottom) is the starting order in the corresponding competition.

Two sets of freestyle judges will be present for all team competitions. One set will judge the Single Rope Freestyles and the other set will judge the Double Dutch Freestyles. On the following pages the teams in each competition are listed in the starting order. Single Rope and Double Dutch freestyles will generally be jumped alternately. The order of the Team Freestyles is as shown by the number beside each Freestyle table.

Two sets of Judges will also be present for the individual / Masters competitions, one for Male and the other for Female competitors. The order of the Masters Freestyles is as shown by the number beside each Freestyle table. Due to the fact that we have more Female competitors than Male, it is sometimes necessary for several Female Freestyles to be jumped consecutively, all being judged by the judge panel 1, which will take a little longer. Otherwise the Female and Male Freestyles will be jumped alternately, with the Male competitors being judged by judge panel 2.

### Unofficial Live Scores and Live Ranking on [www.wejump.net](http://www.wejump.net)

During the competitions, all scores will be available to view as soon as they have been entered in the scoring system. Please be aware that these scores are unofficial until they have been confirmed by the ERSO competition committee, prior to the respective medal ceremony.

Due to the fact that not all teams and skippers compete in every event, it can occur that additional teams/skippers (not competing in all events) are ranked in between overall competitors in the individual event ranking.

We hope that the provision of the unofficial live ranking in the competition hall and also on [www.wejump.net](http://www.wejump.net) will enable everyone to follow the competitions more easily and make our sport more understandable for the spectators.
